To Whom it May Concern,

I am writing in regard to the possibility of Exodus USA, a company desiring to help build affordable housing for low income people and the blighted property on Sheridan boulevard and 8 to 10th streets. In my estimation should their desire and the need be present where they have found property that is determined blighted to be a place where people with low income may have proper housing, this would be a direct benefit for the common good in the city of Lakewood, and as the parish of St Bernadette covers a parochial boundary via Canon Law overlapping this territory, I also see a great benefit and support their desire.

Kind regards,

Rev. Joseph McLagan
